With roots dating to 1929, the American College of Nurse-Midwives is the oldest women's health care association in the U.S. ACNM's mission is to promote the health and well-being of women and newborns within their families and communities through the development and support of the profession of midwifery as practiced by certified nurse-midwives and certified midwives. Midwives believe every individual has the right to safe, satisfying health care with respect for human dignity and cultural variations.
